RABBI'S MESSAGE

Shalom Ahverim of Temple Beth Shalom:

My wishes to you all for a joyous and meaningful Hag Shavuot which begins Sunday night June 1st. We will be here at the synagogue for our annual Tikkun Leyl Shavuot, 6:30 pm, a night of learning and cheese cake!

What I like to do as we are facing the long, hot summer days is to share with you a long list of books that I know you would enjoy reading. Get some lemonade, settle down in your favorite seat/chair/couch and enjoy the sunshine days for reflections and learning.

Here are my recommendations:

1 - At the top of the list, Douglas Murray's new book/bestseller, *On Democracies and Death Cults: Israel and the Future of Civilization*. A brilliant review of what is at stake for the world, not just Israel and the United States, examining the truth of October 7th and how Israel is fighting for all who cherish freedom.

2 - Next is Melanie Phillips' latest book, *The Builder's Stone: How Jews and Christians Built the West-And Why Only They Can Save it*. Another magnum opus on what is going on in the world and the battle for the survival of Israel and the Jewish people, a philosophical, political, historical review of what Judaism in particular means to us all in the fight for truth over darkness and hatred.

Then there are these others:

- *Assyria*, by the author Frahm. This is an interesting history of the world's first Empire, Assyria, that dominated the world for almost one thousand years. The intersection with Israel and Judea's history as we read in the Bible, is fascinating. This is an outstanding scholar, and we certainly recount 722 BCE when Assyria destroyed the northern kingdom of Israel, 701 BCE, when they stopped their siege of Judah, and 612 BCE, when Babylonia conquered Assyria, leading to Nebuchadnezzar's destruction of the Temple in Jerusalem in 586 BCE.

- *The History of the Bible*, by one of our great Distinguished Speakers, Dr. John Barton, Oxford University. A great introduction to what the Bible is, when it was written, and why its truths are with us today and forever.

- *We Who Wrestle With God*, Dr. Jordan Peterson, is an interesting running commentary on some Biblical texts from one of our most interesting psychologists. That's the aim: the psychological truths of the Bible, in particular the Genesis stories.

- Paula Fredriksen's latest *Ancient Christianities*, on how Christianity remained a hodgepodge of different religious groupings until at least the 6th century. Anything you read from this most eminent scholar of early Christianity is priceless. Fredriksen was born and raised as a Christian and recently converted to Judaism.

- Anthony Julius, perhaps the UK's most famous lawyer, is also a scholar of Jewish history and Judaism and his latest book, *Abraham*, is a jewel of what we know now to be the history of Abraham, how important his contribution has been to the development of Judaism and how his words and life have been interpreted by Jewish scholars and philosophers through the ages. Fantastic.

That should give you all plenty to do this summer! Happy reading...there are many more books I could suggest, so if you are interested in any particular period of study, Jewish or non-Jewish material, including world history, American history, and more, just ask and I'll try to guide you to the best sources.

Enjoy the summertime for reflection and intellectual growth!

In Shalom always,

Rabbi Stuart Altshuler

CANTOR'S MESSAGE

Shalom Haverim,

I cannot believe I'm sitting here, in my TBS office, almost a year into being your cantor. It just doesn't feel real. I look back on this past year with Temple Beth Sholom and am grateful to all congregants for the opportunity to serve as your cantor each and every day. Writing these articles seems to always put me in a reflective mood. With the writing of this one falling during Passover, so many thoughts

crossed my mind, but gratitude for the opportunity this shul has given me, in addition to all the ways staff, board members, and congregants have gone above and beyond, are top of my mind. Like most Jews, I sat at Seder tables saying Dayenu, and sincerely thanked Hashem for all that he did for us, but my mind also went to all TBS has done for me and I was filled with overwhelming gratitude. Not only did you give me the honor to be your cantor, but you helped me relocate, allowed me to do new programming with your youth, welcomed my family and Marisa when they have come to visit, planned a beautiful installation, and so much more.

Now onto my thoughts ahead of Shavuot. If you're not familiar with the story of the 1978 masterpiece "Rocky," it's definitely one worth watching. It's the story of a young boxer down on his luck, on the verge of giving up his entire career to do loan shark intimidation. However, at the last moment, he's given an opportunity by one of the biggest promoters in the world to fight the reigning heavyweight champion and gets his title shot. He takes complete advantage of it, too. He works incredibly hard with his trainer, and after an epic training montage, he fights the world champion, and makes it all 15 rounds against him. Thus starting a series of films that will forever be iconic. In a very similar vein, like Rocky, we were at our lowest point as slaves in the land of Egypt, and God saved us with an outstretched arm and gave us our shot at being the "Chosen People," and even though at times we've faltered, the Mana complaint and the golden calf amongst others throughout time, we always remember the covenant we made with God on Mt Sinai and the commitment to our faith. Shavuot is the time when we come together to remember that covenant by coming together, eating dairy, and studying Torah.

According to Shulchan Aruch Orach Chayim 494, "We have the custom to spread out plants on Shavuot in the synagogue and in houses, as a memory for the happiness of the receiving of the Torah." We have a custom everywhere to eat dairy food on the first day of Shavuot.

It seems as if the text is telling us that we need to be as joyous as possible, which makes sense given that this is when we received what is arguably the most important text in our tradition. Much like the underdog that went the distance in Philadelphia in 1978, we should make sure that there is as much joy as possible as we celebrate Shavuot, the time of the giving of our Torah. Chag Sameach, and may your Shavuot be a joyous one.

Cantor Neal Taibel

Haverim,

It's hard to believe that summer is already upon us. Our snowbirds have returned to their homes in the north, and a number of our full-time members are in travel mode. However, Beth Sholom continues to provide programs, classes, and religious services for our members wherever you may reside.

PRESIDENT'S MESSAGE

For much of the summer, Friday Evening Services will occur on Zoom. Shabbat Morning Services will take place primarily in the TBS Chapel and will continue to be broadcast via livestream. At least one session of Shabbat Shaboom for young children and their families is already on our calendar.

Cantor Taibel will be instructing classes related to music on weekdays. Social activities and a number of exciting programs are being planned by our Program and Education Committee to engage our members throughout the summer. Many will be available via Zoom. Our Temple Talk sessions will also take place on Zoom only. Our goal is to keep all of you connected with each other, no matter where you may reside during the hot summer months.

We want all of you to know that TBS is your spiritual home throughout the year wherever you may be. We want you to stay connected with each other. Every effort will be made to keep you engaged. I encourage you to please read our weekly announcements that come to you via eblasts and to take advantage of the various offerings that are provided to you by your synagogue. We really want to see you wherever you may be.

It is also at this time of the year that plans are in the works for the coming season. Are you aware that Temple Beth Sholom will be observing its 100th Anniversary in 2026? Beth Sholom is the first and oldest Jewish congregation in Sarasota. We are the only Conservative Synagogue between Tampa and Fort Meyers. We have much to celebrate and we are looking for ways to observe this centennial anniversary. There should be multiple ways to observe this special achievement. We look to you to help us with new and creative ideas on how we can make our century-old observance special. Some of you come from families who were active members of TBS even as far back as 1926. You may have special memories, photographs, copies of articles or other memorabilia that can add much to one or more of our celebratory programs. We also welcome your active participation in the planning and execution of one or more of these events and activities. Please call the TBS office to let us know what you may have and/or your willingness to be a part of the Centennial Committee. Your presence and active participation will add much to the importance of our 100th anniversary. Be a part of it!

Finally, as you enjoy the warm/hot summer months, I encourage you to consider ways that you can become more involved in the TBS community. We really need your ideas and active participation on committees, as well as your ongoing support of programs and events. We truly want to hear from you, and TBS Board members are always available to address your questions, concerns, and ideas. Enjoy what I hope will be a restful summer and remember that Temple Beth Sholom is your spiritual home and that we are family.

Kul tuv,

Al Treidel

MEN'S CLUB

It's Summer and there isn't much happening in Men's Club. Our VP Programming, Rabbi Ed Weinsberg, is busy researching exciting new programs to bring to us for the Fall/Winter presentation season. If you have programming suggestions to share, please let me know.

Meanwhile, what I'm thinking about most, at least in relation to the Men's Club, is succession. This is my third two-year term as President, and it's time to pass the baton to new leadership. We need men of all age groups to step forward into leadership roles.

I'm especially going to repeat my challenge to younger members of TBS. By that, I mean younger than the grandfathers who currently run the Men's Club. We need you to step up and assume a leadership role in taking your Men's Club into the future. If you don't think the Men's Club's initiatives and programming choices represent the interests of all age groups, or that they aren't relevant to the interests of your generation, you can change that, **but only if you're willing to make your voice heard by assuming a role in leadership.** We have vacancies on the Men's Club Board of Directors, and we need you to step forward to fill those vacancies. **And we will need a new President!** We need your ideas, your creativity, your energy, and your passion to make Men's Club truly representative of the needs of all members of all ages.

To quote Benjamin Franklin: "The world is run by the people who show up." You can make a difference, but only if you're willing to show up.

Challenge made. Again! Who will accept?

SISTERHOOD

The onset of summer brings the beginning of preparations for our High Holiday projects. Sisterhood will once again be sponsoring the Temple Beth Shalom New Year greeting card. The mailing for this will be going out in July. We will also be making New Year packages to deliver to senior facilities in our area. These contain a Rosh Hashanah card, honey stick, candies, and an information sheet about the holidays. The packages will be delivered by our “Sisterhood Elves” prior to the holidays. This undertaking takes a large team of women and requires a tremendous amount of planning, but it is such a wonderful thing to do for our community. The outreach means that people living in assisted living, nursing homes and other facilities are not forgotten and have an opportunity to celebrate the new year.

Thanks to Evie Mitchell and Martha Sherman our Bimah Basket project had an unbelievably successful year. Almost every week throughout the year we had at least one sponsor and for many weeks there were more than three sponsors. I am delighted to report that for the 2024-2025 year we were able to contribute over \$5000.00 to All Faiths Food Bank and Jewish Family & Children’s Service. When we made our dispersal in May we were able to have them matched. Going forward, our Sisterhood Board has decided to replace Jewish Family and Children’s Service with Sarasota Meals on Wheels.

We continue to plan our programs and events for 2025-2026 and look forward to another year of exciting, educational, and engaging programs. We are thinking a little outside the box for this coming year. Our yearly activities, which include Annual Membership Brunch, Sisterhood Shabbat, and Sisterhood sponsored Library Book Review have been put on the calendar. There has also been a request for programs that are “fun” and promote forming relationships in a social setting. To meet those needs Sisterhood is considering an off-site day trip to a local venue and either a Breakfast or evening Trivia competition. Because we enjoyed much success with our 2nd Annual Sisterhood Game Day, we are planning to repeat this program as well. We hope that you will support and attend both these new and innovative programs and help make them a success. Our Tu B’Shevat inspired lunch was incredibly successful, so we are considering doing it again with a program that will bring meaning to the holiday.

I am grateful to Susan Weintraub and her nominating committee. Thanks to their hard work, we will have new faces on our Board. We will be welcoming Patty Kahn, Naomi Stonehill, Ellen Donshik, Linda Gottlieb, and Cheryl Goldhirsch. Returning Board Members will be Susan Weintraub, Ellen Kreisler, Maddy Freshwater, Paula Rothman, Evie Mitchell, Martha Sherman, and Lea Zatz. May all of us go from strength to strength in our work to keep Sisterhood strong and vibrant.

On behalf of Sisterhood, I wish all of you a wonderful summer.

Sheryl Glickman
Sisterhood President

WHAT IS A BIMAH BASKET?

WHAT IS A BIMAH BASKET?

*As a replica of a food basket
a Bimah Basket symbolizes the gift of
food to the hungry and needy*

As a major part of our social action programs, TBS Sisterhood's Bimah Basket program raises funds to benefit organizations that primarily feed the hungry and needy. When we began this project both All Faith's Food Bank and JFCS had projects that focused on feeding the poor. Recently we learned that JFCS no longer sponsors a Kosher Food Bank. After much research and discussion the TBS Sisterhood Board of Directors voted to designate All Faith's Food Bank and Meals on Wheels Sarasota as the recipients of 60% (30% each) of the Bimah Baskets proceeds. At the end of this fiscal year funds will be dispersed to both **All Faith's Food Bank** and **JFCS** as we have done for the past several years.

Beginning on June 1, 2025, the recipients of Bimah Basket proceeds will be All Faith's Food Bank and Meals on Wheels Sarasota.

Why do we have Visionary Society Members?

We thank our Visionary Society Members who help support our Temple Beth Sholom by paying more than the required dues each year. This is an annual program (brochures go out in May/June with the new membership year information) and these members pay between \$1,000 and \$15,000.

These members are an important part of keeping Temple Beth Sholom's operating budget balanced.

Temple Beth Sholom appreciates our Visionary Society Members for their generosity and invite you to consider joining this special group.

Ok, so why do we also need our LIFE & LEGACY™ Society?

LIFE & LEGACY™ gifts are for the future, not for today. They let our members contribute to the future of Temple Beth Sholom, to leave a legacy so that they are part of TBS' future.

Many people plan gifts to the temple which will come from estates. Others decide to make gifts today, often appreciated stocks or cash gifts. Most go directly to our Endowment Fund where they are to TBS like our personal IRA's are to our families.

Thank you to all our current LIFE & LEGACY™ donors. Your generosity and commitment to TBS' future are greatly appreciated. We are most grateful for your support. There are ways every TBS member can join, please call Nancy Hendricks at 941-955-8121 for more information.

Temple Beth Sholom and the TBS Endowment Fund are proud to participate with the LIFE & LEGACY Campaign. LIFE & LEGACY is a national campaign sponsored by the Harold Grinspoon Foundation, and is coordinated locally through The Jewish Federation of Sarasota-Manatee in support of multiple synagogues and Jewish organizations in the area. The purpose of the campaign is to encourage support of local Jewish organizations through contributions and legacy gifts.

We thank our contributors to the program!
