RABBI'S MESSAGE

"By Wisdom a Home is Built"

Dear Friends,

As I sit down to write what will be my first of many TBS Messenger articles this morning, I'm reflecting on the verse from Proverbs 24:3, "By wisdom a home is built."

Looking around our home here in New York, with boxes stacked high and our big move coming up, Kayley and I are envisioning our new home in Sarasota. What color will we paint the bedroom walls? How will we decorate?

Our tradition reminds us of a lesson that is too easily forgotten. The tangible things that can be packed and unpacked, the decorations and furniture, while important, are not what make a house a home. By wisdom a home is built. It's the values that come to life within the home, the words spoken, the rituals observed, the meals shared, that are what matter most. It's the way we treat each other within the walls of our home that makes the home a fitting place for G-d to dwell.

In our tradition much is said about the importance of shalom beit, peace in the home. Anyone who lives with others knows that keeping the peace when there are chores to be done and disagreements to be had is not always easy. How do we practice this spiritual work? Our tradition points us toward a lesson about the mezuzah, the sacred scrolls of Torah which are said to guard the peace of each and every Jewish home. Have you ever wondered why it is that the mezuzah leans inward at an angle, and isn't placed perfectly vertical or horizontal? As the story goes, at the moment of the first mezuzah hanging, one member of the household thought it should be placed vertically, and the other much preferred horizontally.

On and on they went, arguing back and forth, until eventually they settled on a compromise. Placing the mezuzah at a diagonal, shalom beit, peace in the home, was achieved, and from that moment on, a valuable lesson immortalized. With this lesson, we remind ourselves each and every time we walk through the door that as Jews, our homes, and our hearts, can be sanctuaries of shalom, but only to the extent that we are willing to work, with openness, thoughtfulness, and compromise, to make it so.

Of course, this teaching doesn't simply apply to our personal homes, but to our Temple home as well. Temple Beth Shalom - striving to be a "house of peace" is in the very name of our community, woven into the fabric of who we strive to be! As your new spiritual leader, I will set the tone through all that I say and do, that the values of kindness and a welcoming atmosphere, open mindedness and compromise, respect shown to one another in word and deed, are at the core of who we are. With a new season upon us, and a new chapter in the beautiful history of our congregation, let's hold close to the lesson of the little mezuzah, and strive to be our best selves each time we walk through the doors of TBS. By wisdom a home is built. As Kayley and I settle in, unpack, and enjoy the blessings of our new home in Sarasota, I know that we will work together, all of us, to achieve great things in years to come - to build, to strengthen, and to grow our beloved Temple home, with all the wisdom that our tradition affords us.

B'Shalom,

Rabbi Jack Dermer

PRESIDENT'S MESSAGE

Shalom Haverim!

I hope this finds you enjoying our hot summer, or YOUR hot summer wherever you are. As of this writing, we've started to get some afternoon showers, so maybe we can break the drought we're in the middle of (without hurricanes, of course!)

Since my last message, a lot has been happening. The REALLY BIG news is that Rabbi Dermer's shul in NY found a replacement to start July 1, so Rabbi Dermer and family were here in July house-finding and conducting services for a sneak peek the weekend of July 10 and 11. I hope you were able to join us. Both services were VERY well attended. He'll officially start in August, with his first in-person welcoming Shabbat weekend on August 7th and 8th! Of course, he'll be co-leading High Holy Day services with Cantor Taibel next month, so we have that to look forward to. I'm sure by now you've seen some of his written and video messages to the congregation.

We held our ground-breaking ceremony at the cemetery on June 11. Some progress has already been made on the grading and tree removals, but there's much left to be done. Many thanks to Jeff Cohen for his excellent leadership on this sizable project. Also, many thanks to all the folks who got us here through the years, starting with Ben Berman, who led the Cemetery Committee for such a long time, and to Dennis Zimmerman, who co-chairs the Committee now with Jeff Cohen. Other members of the committee are Jeff Bain, David Chaifetz, Richard Enslein, Marshall Horwitz, Robert Lachkar, Andrew Rosin, Elizabeth Kessler, Dan Stults, Jack Sukin, Frank Podietz, and Kelly Nester. Thanks for all they do.

Also in July we restarted Temple Talk. We observed Tisha B'Av. The Young Families are gearing up for the coming fall and the High Holy Days. And the Ritual Committee held a brain-storming meeting on how to increase attendance at some of the minor holidays. Rabbi Dermer participated in this very productive session where lots of ideas were suggested. Your input is always welcome. So while there are fewer day-to-day activities, the summer is a busy time of planning and preparation.

Along those lines, despite having tented the building for termites a couple of years ago, we recently found there were termites in the ark. This resulted in some damage to the wood of the structure itself. The wood has been repaired and we're in the process of recovering the interior with a new lovely fabric lining as this is being written. Thank you to all who have helped with this project.

Regarding the sale of some of the property to Gilbane, the BOD passed an amendment to our agreement with Gilbane delaying the closing until about the middle of October. It seems that FPL doesn't move very fast and their timing for approval of the electrical changes fell during the High Holy Days in September. Gilbane has always been very sensitive around our holidays, so they agreed to wait until mid-October to begin.

I look forward to seeing everyone over the rest of the summer and especially for the High Holy Days in early September.

See you in shul!

CANTOR'S MESSAGE

Shalom Chaverim,

It is with great excitement that I begin this month's article with a warm TBS welcome to Rabbi Dermer. I find it hard to express how energizing it is to be working with someone fully dedicated to enhancing our TBS community. Rabbi Dermer's neshama (soul) and kavanah (intention) bring a renewed spirit to our community and I look forward to all our members having the opportunity to experience it first-hand.

As we head into the preparations for Rosh Hashanah, with the season of repentance, I am reminded of how valuable this time of year is for spiritual renewal. Similar to when I was studying religious texts and we broke down every word and phrase, I am going to take a quick look at a word that always grabs my attention: "renewal." For me, renewal is twofold. It is a reconnection to what we had, as well as a closer evaluation of our new experiences, allowing them to grow who we are.

New experiences, if we evaluate them spiritually, can be reinvigorating. Think of when you may have traveled somewhere new or attempted to understand another language or even spent time with people you never met before. They all provide opportunities for spiritual growth and enlightenment. If we are honest, it is a challenge to stop our busy lives and pay attention to these new experiences, let alone connect spiritually. Thankfully, the genius of our Jewish tradition gives us a very loud wake-up call: the shofar. Hearing the shofar, according to scholars, is like an alarm clock for your soul. Maimonides even refers to it as "God's alarm call." We don't blow it just once; we blow it throughout this period so we have many opportunities to wake up and renew our souls.

Every time the topic of renewal comes around, I always think of the words we recite at the end of the Torah service, which come from the book of Lamentations:

הָשִׁיבֵנוּ יְהוָה | אֵלֵינוּ וְנִשְׁוֶבָה יְמֵינוּ כְּקֶדֶם

"Return us to you Hashem, and let us return, and renew our days of old"

As we pray these words, we long for renewal to something we had long ago, our sense of religious identity and our ways of old since the destruction of the Beit Hamikdash. However, it is also a reminder that we must move forward despite the yearning pain from loss. It is a reminder to push ourselves to evaluate and incorporate what we learn from the new into the growth of our spiritual self. Renewal in Judaism is an acknowledgment that we constantly rediscover ourselves.

As we prepare to turn the calendar to 5787, and hear the blowing of the shofar, I hope we can all be open to spiritual reinvigoration. We need the sounds of the shofar to rekindle our kavanah and to call us once again to inspect our actions from the past year, give us the chance to start again, open ourselves to the new, and renew our relationship with Hashem and our faith.

As we continue to inspect ourselves, my prayer is that we continue to prepare for the season of repentance by reminding ourselves of this last year's highs and lows. That we take each high with pride and each low as a chance to rise above. As we continue toward the new year, let us be reminded that every day is a chance to start anew, and may we all be able to do so in the year to come

RITUAL

Temple Beth Sholom Appoints Rabbi Jack Dermer as its new Spiritual Leader

Sarasota, Florida: Temple Beth Sholom has named Jack Dermer as its new Rabbi.

Temple Beth Sholom is the oldest Jewish Congregation in Sarasota, as it observes its centennial anniversary this year. It is the only Conservative Jewish congregation between Fort Myers and Tampa. “Rabbi Dermer is an extraordinary human being and embodies those values that have long been associated with Beth Sholom. He is a people-centered individual with a total commitment to all aspects of Jewish life and community involvement. He is committed to lifelong Jewish learning and sharing his insights and knowledge with others,” Ritual Chair of Temple Beth Sholom Susan Weintraub said in a statement.

Originally from Southwest Florida, Rabbi Dermer brought his love of learning to Brandeis University, where he earned a BA in Philosophy and Religious Studies. Upon graduating from Brandeis, Rabbi Dermer followed his religious calling to the Conservative Yeshiva in Jerusalem, where he decided to devote his life to Torah, spiritual growth, and serving the Jewish community. While in rabbinical school at the Jewish Theological Seminary, Rabbi Dermer built upon his interest in philosophy, earning an MA in Jewish Thought with a focus on Chassidic and Kabbalistic mysticism, and twice receiving the Seminary’s Rubenovitz Prize in Theology. As a rabbinical student, Rabbi Dermer worked as a chaplain for Holocaust survivors, created a program to host Shabbat meals for isolated senior citizens, and enjoyed spending numerous summers as a teacher and special needs inclusion counselor with Camp Ramah.

Rabbi Dermer is a lifelong guitar player and brings his love of music to his rabbinate. He is the current President of the Long Island Board of Rabbis, a role in which he works to foster connections and relationships between the many Rabbis and congregations of Long Island. He is also involved in supporting the Hatzilu Rescue Organization, a Jewish food bank, and participates in interfaith educational panels throughout the year. Rabbi Dermer has enjoyed sharing his warmth, music, and passion for Torah with congregants at the Merrick Jewish Center in Queens, NY, and Temple Beth Torah in Westbury, NY, where he has held rabbinic pulpit positions. He will be joined in Sarasota by his wife, Rabbi Kayley Romick, and their son, Max.

Rabbi Dermer will join Cantor Neal Taibel and the entire Temple Beth Sholom staff in early August. The congregation is planning a series of events for the entire community to meet the new Rabbi. All members of the community are invited to attend.

For more information about the upcoming events, visit www.templebethsholomfl.org or call the office at 941-955-8121.

New in the Alcove

Israel on Trial: Examining the History, the Evidence, and the Law by Roy K. Altman, 2026 – A U.S. District Judge brings legal rigor to the world's most contentious debate. Applying courtroom-tested standards—burden of proof, corroboration, chain of custody—he examines claims of colonialism, apartheid, and genocide with dispassionate precision. In an era shaped by viral slogans and curated outrage, Judge Altman offers a disciplined method for discerning truth from propaganda. Through historical records, archaeological evidence, genetic data, and international law, the book shows what it means to demand proof—and what's at stake when we stop asking for it.

The Nowhere Sisters by Jan Casey, 2026 – An emotional historical fiction novel that follows a 12-year-old Jewish girl who, while escaping Berlin on a Kindertransport train in 1938, protects a frightened 4-year-old orphan by lying to authorities and the world, claiming the young child is her sister. The story traces the girls' journey across Europe to England, where they are taken in by the Kingfisher family. This wartime saga tackles themes of courage, chosen family, survival, and identity as the girls attempt to adapt to a new country and navigate challenges in a time of uncertainty.

Aliyah: A Jewish Family Saga by Harold Emanuel, 2024 – A historical fiction novel that follows the Hermanski family's journey from the 1881 Warsaw pogroms to Manhattan's Lower East Side. The story blends their immigrant experience and cultural assimilation with pivotal historical events like the Triangle Shirtwaist Factory fire and the sinking of the Lusitania.

TBS SPOTLIGHT

Schmooze with Cantor Taibel

TBS members and friends gathered at Demetrio's Pizza in June for a fun-filled night of karaoke.

A heartfelt thank you to everyone who joined us! It was an evening filled with music, laughter, and wonderful community spirit. From crowd favorites to unforgettable performances, everyone who took the stage—and those who cheered them on—helped make the night a tremendous success.

We loved seeing members and friends come together for an evening of fun and fellowship. We look forward to our next community gathering!

Meet your fellow congregants

Adam & Renee Rod

Adam and Renee Rod proudly joined Temple Beth Sholom this past month. The couple moved to Sarasota from Chicago last September, following Adam's retirement. He was an assistant commissioner in Chicago government and aviation (O'Hare Airport) for several decades, while Renee had a long career as a commercial architect and urban planner before pivoting to grant writing in later years. The two met as kids in Omaha, Nebraska, when Renee's family moved there from the Boston area, while Adam's family was originally from the New York City area. Nearly 20 years later, the two found out that they both lived in Chicago after college and ultimately married in 2002. Adam and Renee have known about Temple Beth Sholom for years because Renee's parents, Stan and Evie Mitchell, moved to Sarasota upon their retirement several years ago. Although still adjusting to retired life (constantly asking each other "what day is it today again?"), the Rods are enjoying more time with family, close proximity to Siesta Beach, and too many leisurely trips to Detwiler's. If you have not had a chance to meet them yet, they certainly look forward to making more new TBS friends as they settle into their new Suncoast home.

Tales of Travel

Presented by:
Jeff Cohen

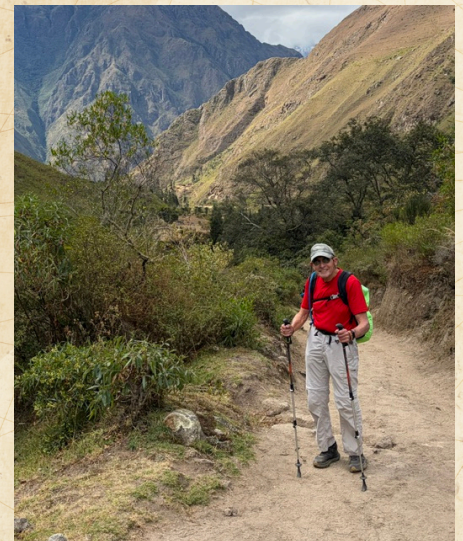

Beginning the first week of July, congregant Jeff Cohen and his eldest son Brian and grandson Morgan traveled to Peru to hike the iconic 26-mile Inca Trail with the final destination, the ancient civilization of Machu Picchu. Their group of 16 was assisted by 26 porters carrying tents, bedding and food.

Jeff was 28 years senior to the next eldest hiker, his son.

The duration of this amazing feat - 4 days and 3 nights following stone paths built over 500 years ago by the Incas, reaching an elevation of almost 14 thousand feet before the descent to Machu Picchu.

The views were extraordinary and the family experiences along the way, will be cherished for a lifetime.

Machu Picchu is a 15th-century Inca citadel located in the Eastern Cordillera of southern Peru on a mountain ridge at 2,430 meters.

SISTERHOOD

What is a Bimah Basket?

As a replica of a food basket, a Bimah Basket symbolizes the gift of food to the hungry and needy.

As a major part of our social action programs, TBS Sisterhood's Bimah Basket program raises funds to benefit organizations that primarily feed the hungry and needy. The TBS Sisterhood Board of Directors voted to designate All Faiths' Food Bank and Meals on Wheels Sarasota as the recipients of 60% (30% each) of the Bimah Baskets proceeds. Funds will be dispersed to both All Faiths Food Bank and Meals on Wheels Sarasota, twice during a fiscal year.

NEWS for the 2025 – 2026 fiscal year

TBS Sisterhood donated \$2,067 to each organization. All Faiths tripled our second donation, adding another \$2,010. We thank each and every one who sponsored a Bimah Basket this fiscal year.

Temple Beth Sholom

Visionary Society

We are pleased to present the 2026- 2027 Visionary Society program:

WHY JOIN

The Visionary Society

Jewish religious life and culture should be accessible to everyone. However, this is often not the case. With this challenge in mind, Temple Beth Sholom has created The Visionary Society to afford the temple the ability to welcome everyone inclusively.

The Visionary Society is an opportunity for you to express your support for the vision of the temple by making an annual gift in addition to your dues.

It is also an opportunity to help the temple fulfill its obligation to welcome Jews of all backgrounds. This program also bridges the financial gap for our fellow congregants who are unable to afford the temple's full dues. Please consider assisting TBS in making excellent religious, educational, and cultural Jewish experiences accessible.

**WE THANK YOU FOR YOUR
CONTINUED SUPPORT OF
TEMPLE BETH SHOLOM!**

Ruth Bader Ginsburg – “I Dissent”

Ruth Bader Ginsburg was an American lawyer and jurist who served as an associate justice of the Supreme Court of the United States from 1993 until her death in September 2020. She was the second woman and the first Jewish woman ever appointed to the Court and became the longest serving Jewish Justice.

She championed fairness and equality and objected to different expectations for men and women, prejudice against minority groups in places like hotels and restaurants, and women having fewer job opportunities than men. Ruth served on the national board of the ACLU (American Civil Liberties Union) and launched The Women's Rights Project, she continued to be a leading voice for gender equality, women's interests, and civil rights and liberties.
