TERUMAH The concept of the Tabernacle, the portable shrine, is introduced as a place for God to dwell among the Israelites. The people are asked to bring fine materials for the sanctuary. The Mishkan is to include an ark topped with a golden slab attended by two golden cherubs; a table; a candelabrum (menorah); a layered roof; curtains; an altar; and an enclosure. The dimensions and descriptions of all of these items are explained in fine detail.
