**BAMIDBAR** God orders Moses to take a census of the people so the Israelites can prepare for the possibility of warfare or other obstacles. The total of 603,550 males over the age of 20 does not include the Levites, who must be responsible for the activities and maintenance of the Tabernacle at all times. The tribes are told to camp in a square, with three tribes on each side of the square, and with the Levites and the Ark in the middle. The Levites must report to and assist Aaron and his sons, Eleazar and Ithamar, who serve as priests in the wake of Nadav and Avihu's deaths. The Levitical clans of Gershon, Kohath and Merari are assigned specific duties; the Kohathites are required to watch over the most sacred objects of the Israelite cult. God outlines a procedure for Moses to redeem the Israelite first-born.

### Get cheesy . . . Shavuot is coming!

**Our services will be through Zoom on Thursday, May 28th 9:00 pm** contact Rabbi Werbow for all night study details & **Friday, May 29th 10:00 am** which includes a **Yizkor Service**.

**Shavuot**, the "Feast of Weeks", is celebrated 7 weeks after Passover/50 days after the first Seder. It is one of the three pilgrimage festivals of ancient Israel and it commemorates the spring harvest and the giving of the Torah on Mount Sinai. It is a traditional custom to eat dairy, milk & cheese, during the Shavuot celebration. Celebrated with an all night study session, there are special readings for the holiday that include medieval poems (piyyutim) & the Book of Ruth. Shavuot is one of the holidays on which both Hallel, the Psalms of Praise, is recited and the Yizkor Memorial Service is observed.
